

Chairman Rivers has requested you make the following three points in your opening statement:

1. Indicate your appointment today at 2:00 p.m., but that the staff will be available for questions.

2. Prefer you have members hold their questions until the entire briefing is presented, as many questions will probably be answered during the briefing.

3. This is the first time the full committee has been briefed and most of the material is very sensitive, but that Mr. Rivers requested that he give this briefing.
